A- Yes

Q- Sir, did I have you explain your rights back to me as you understood them?

A- Yes

Q- Sir, do you recall giving me (Sgt. Russell) a statement early this morning regarding the shooting that occurred on Runyon St ?

A- Yes

Q- Was everything in your statement truthful?

A- No

Q- What part of your statement wasn't truthful?

A- the part about I got out the car?

Q- Tell me what really happened regarding the shooting on Runyon St.?

A- Earlier in the day of the shooting I did meet with "TONE" "TONE TONE" "LOS" " " and "CARRIE". But we didn't meet at the Coney Island, we were at "Los's" mothers house on Albion. We were all smoking blunts and talking about robbing "Milk Dud" on Runyon. The plan was for us to go on Runyon in the evening and rob "MILK DUD" of his weed and money. I left from "Los's" around 7:30pm then went to my aunt Sherryls friends house untill around 9:25pm. I meet up with everyone, "TONE" "TONE TONE" "LOS" and "CARRIE" in the park across from my house and got hyped to go "hit the lick" and "MILK DUD'S" house. We all got in "LOS'S" car, a green Mercury Marquise 4dr. and rode over to Runyon. "LOS" pulled in front of "MILK DUDS" house and stopped in the street and let everyone out. I remember a red car was parked in front of "MILK DUDS" house. I got out the car with a mini-14, "TONE" had a handgun, "TONE TONE" had a "chopper" and "CARRIE" had a .45. As soon as we got out the car we ran up on the front yard and "started bustin" at the house. I was shooting the mini-14 through the front window. Everyone shot their gun at the house from the outside. We all ran up on the porch and went inside. I saw "MILK DUD" sitting in a chair that was kind of in front of the door, another guy was sitting on the couch in front of the window, and a guy and a lady were on the floor. It seemed like the man and the lady on the floor were already dead. The guy on the couch was shot already from when we sprayed the house, and "MILK DUD" was also shot. Me and "CARRIE" were in the livingroom, and "TONE" & "TONE TONE" started searching the rest of the house. As soon as "TONE" and "TONE TONE" went in the back of the house, I heard shots coming from the back bedroom. "TONE TONE" went and checked the basement. "TONE TONE" came from out the basement with two black bags duffel bags and said "HELL YEAH, WE HIT A LICK" . "TONE TONE" looked at "CARRIE" and said "fuck all these witnesses" and everybody started shooting. "CARRIE" shot the guy on the couch in the legs, and I started shooting him with my mini.

and "TONY" and "NIP" and "LOS" and drove by ME and "CARRIE" ran up Runyon toward the State Fair and some of the guys in the crowd. I heard back ME and "CARRIE" ran up State Fair to Beland and our guns were thrown into the crowd. I changed my clothes, and threw my jym shoes in the washing machine. A few minutes later my mother came in the house and told me that someone got shot on Runyon. I started feeling real bad and went outside. Everything started getting to me and I saw you on Beland by State Fair and walked down the street and started telling you what happened.

Q- Where did "CARRIE" go when you ran to your house?

A- He kept running down the street on Beland.

Q- What were you wearing during the shooting, and where are the clothes you were wearing?

A- I had on some black dickie pants, black t-shirt that said "Payday" (it was inside out) and some blue and white jordans. the black pants are folded up on the shelf in my closet, the shirt is still inside out on the pole in my closet, and you have the shoes.

Q- Did you wash your clothes?

A- No I didn't.

Q- How long did you have the mini-14 you say you were shooting?

A- Its not mine, I only used it

Q- How many times would you guess you shot your gun total while at the house on Runyon?

A- Im not sure but I would say about 9-10 times

Q- Did you see anyone else in the house besides the persons you mentioned in the living room?

A- Yes, when I walked to the back room I was another lady laying on the floor.

Q- What if anything did you take out the house on Runyon?

A- Nothing

Q- You stated that you "Busted" at someone on Runyon while you were running away, how many times did you shoot at this person?

A- About 8-9 times

Q- Did "LOS" ever get out the car on Runyon St.?
